

Delta 21 inch Orbits

The interactive play system Delta 21 inch Orbits has a 21 inch touch screen with a space theme. The game is suitable for children from 8 to 12+ years old and takes them on a journey through the universe with a spaceship. The educational and non-violent game is specially designed by the IKC studio and stimulates children to find a solution to safely navigate through space in a fun and creative manner.

Our interactive play systems are:

- Easy-to-clean
- Extremely strong and durable
- Suitable for several children at the same time
- Energy-efficient
