

Jungle fever

Jungle Fever is very simple but equally as educational. Children can simply move the numbers and figures around and will learn to recognise the symbols and numbers and how to place them in the correct order.

Graphic colours Pantone no.

All our products are inspected, tested and certified by SGS and TÜV.

European standard EN 71 specifies safety requirements for toys. Compliance with the standard is legally required for all toys sold in the European Union.

All our products only use FSC certified wood, so eco- and environment friendly!

Our products are conform with health, safety and environmental protection standards for products sold within the EU.
